Great Improvements in the Art! WM. MCKEE,
WOULD take pleasure in announcing to
the citizens of Millersburg that he has
taken the rooms over Dr. Boling's office, where
he has an excellent sky-light, and with his experience in the Art, having had the advantage
of being instructed in the one of the largest and
best Photograph Galleries in the East, he feels
justified in saying that he will make

PHOTOGRAPHS, AMBROTYPES, and all of the popular pictures of the day attaining the highest perfection in the Art.

He defies competition, and claims that he will make better pictures—on an average—than have ever been made west of the Mississippi. My results are certain.

He would also call attention to the artistic and graceful position in which his subjects will be seated. It is unnecessary to remind the enlightened citizens of this vicinity of the inestimable value of a fine ard life like picture of a departed friend.
